practical bungalow construction in the East are those that are being built in the Bronx and in the Pins. Grand has been broken for two new dwellings of the California bungalow type that is now becoming popular in Eastern cities. The plans call for an artistic exterior of the conventional build, large, comfortable living room, dining room, kitchen, breakfast room and tiled bath. These bungalows were specially designed for suburban New York, where a comfortable and accessible home is essential. The bungalows have already been contracted for and are set \$5,000 each.

The Brentwood Realty Company is planning to further the construction of bungalows in their development in the Bronx.
